TASTING NOTES

The 2016 Chardonnay presents bright tropical fruit aromas with accents of butterscotch, vanilla and spice. Rounded flavors of pear, melon, pineapple and papaya unfurl along a sumptuous texture. Quenching notes of green apple and citrus add crispness to a long, smooth finish.

CUISINE PAIRING

The 2016 Chardonnay is made to be versatile with food. Recommended pairings include butter-poached scallops, creamy risotto, shrimp pasta in white wine sauce and grilled chicken breast.
