TASTING NOTES

The 2012 Renegade offers lavish black fruit aromas with notes of wet stone and savory smokiness. A juicy, mouthfilling texture delivers robust flavors of plum, cassis and boysenberry with hints of cocoa and white pepper. Power yields to elegance on the finish, concluding with fine tannins and focused structure.

CUISINE PAIRING

The restrained intensity of the 2012 Renegade allows for versatile food pairings. Suggested matches include char-grilled ribeye steak, smoked pork shoulder, spicy barbecued chicken and wine-marinated lamb chops.
